Terms Governing This Sale

Bidders unknown to us will please furnish bank or other references or deposit 25 per cent with their bids, and it is agreed that remittance will be made upon receipt of invoice if references are not furnished.

Any coin which is not satisfactory may be returned within five days from date of receipt for full refund. **You must be satisfied. PAYMENT TO BE MADE UPON RECEIPT OF MERCHANDISE.** Coins remain our property until paid for. There will be no charge for executing your bids but the purchasers will be required to pay the postage and insurance on their purchases. If you do not wish coins sent airmail please note this on your bid sheet.

We shall welcome your bids and will try to purchase the coins as much below your bids as possible. **PLEASE BID BY THE LOT.** Unlimited bids are executed at an advance of 5 per cent over the next highest bid. Numbers in () are the quantity of that item.

If you are interested in any particular coin, we shall be glad to have you write us for full information. **LOTS CANNOT BE BROKEN.** Be sure you bid on the correct lot as we cannot be responsible for errors in bidding.

NOTICE TO NEW BIDDERS

Our Mail Sales Are Conducted As Follows:

1. Bids are entered in the order received; if identical bids are received, the first bidder is awarded the lot. **SEND BIDS AIRMAIL—IT PAYS.**

2. The highest bidder on the date of the sale is awarded the coin at a slight advance over the second highest bidder. **Bids you send in are the maximum you are willing to pay for the coin. WE, AS YOUR AGENT, TRY TO BUY THE COIN AS LOW AS THE NEXT HIGHEST BID WILL ALLOW.**

3. Valuations placed in the auction catalog are catalog prices, prices generally asked by dealers when the coin is in stock, or prices generally realized at auctions.

ANY COIN WHICH IS NOT AS REPRESENTED MAY BE RETURNED WITHIN FIVE DAYS FROM DATE OF RECEIPT FOR FULL REFUND. YOU TO BE THE SOLE JUDGE AS TO CONDITION. YOU MUST BE SATISFIED. No, you won't receive a nasty letter for returning a coin—instead you will receive a letter thanking you for calling attention to the error made in cataloging. While we try to describe coins as accurately as possible, it is inevitable that an occasional error is made in the cataloging of thousands of coins for each sale. Whenever this happens, we want it called to our attention to help prevent future errors.

Any coins may be inspected prior to the sale, collector to pay postage and insurance both ways.

If you are not interested in these sales, won't you advise us so we may discontinue sending you catalogs.

IS THIS YOUR FIRST AUCTION CATALOG?

20TH EDITION (1967) GUIDE BOOK, (1965) PAPER MONEY 5th EDITION
"TRENDS" AND OTHER AUCTION RECORDS USED IN CATALOGING.

Occasionally a collector writes us asking why our estimated values in some instances are higher than the catalog listing. This occurs when the demand is so great and the supply so small that new records are set whenever these come upon the market. If one will take a few moments to reflect, he will understand that it takes several months to compile the necessary information before the catalog can be published, therefore, it is inevitable that the catalog listing will be under the prevailing market price on the items in popular demand at the time of the publication. **The estimated prices are entered only after careful examination of various records and publications which reflect the actual and not theoretical values. (PLEASE NOTE THAT MANY OF THE ESTIMATES ARE CATALOG VALUE ONLY. MANY OF THE GOLD COINS, SILVER \$1, WASHINGTON QUARTERS, CURRENCY, ETC. ARE ESTIMATED AT CATALOG).** In the final analysis, you the collector, are the one who sets the price.

BIDS ARE RECORDED AS FOLLOWS: Each bid sheet is given a number as it comes in, and the bids are recorded. In the event of identical bids, the first bidder receives the lot. At the last day of the sale, the books are closed with the highest bidder on each lot being awarded the lot at an advance of not over 5% above the next highest bidder. For illustration—the two highest bids received on a lot may be \$17 and \$20. The highest bidder who bid \$20 would receive the lot at \$17.50. We act as your agent and use your bids as a limit—not as a final bid unless we are forced to do so to obtain the lot. We accept unlimited bids which generally assures the bidder of obtaining that lot regardless of what the highest bid may be. Where the lot is bringing far more than we believe it is worth, or in the event of two unlimited bidders on the same lot, we notify the unlimited bidders by phone or wire, if necessary, in order to obtain a fixed limit to the bid. Even tho auction purchases are supposed to be final, we do not want you to keep any lots which you believe are improperly described. We endeavor to treat our customers as we would wish to be treated. We try to keep it on a friendly basis and value the many friends we have made thru the years. If you have any complaints, we want to hear them, as well as any compliments.

**YOUR SUCCESSFUL BIDS WILL INSURE YOUR RECEIVING
SUCCESSIVE CATALOGS WITHOUT INTERRUPTION**

BARGAINS

In every sale, some lots go at "bargain prices." May we suggest that in addition to bidding on those lots you "really want," you place nominal bids on those lots that "you might buy if they went at bargain prices." While you may not obtain many of these "bargain lots", yet in every sale you may pick up some real bargains.

Sincerely,

A. M. KAGIN and PAUL KAGIN

YOU MUST BE SATISFIED

Our Sales Are Cataloged With You in Mind. If you have any suggestions, complaints, (yes we receive some now and then), we want to hear them. Having catalogued over two hundred sixty successful coin sales, we believe we are qualified to advise and help you with your numismatic problems. No, we don't "know-it-all" but we do know where to obtain the information we don't have.

We have a number of want lists on hand for the scarce and rare United States coins and currency. Our average commission for obtaining these specimens is only 10 per cent, therefore we believe we can pay the top price for your choice and scarce pieces, no matter how rare. Don't you think it is worth a 8c airmail stamp to find out what we would pay for your outstanding pieces? Naturally we buy collections, too.

SOMETHING NEW HAS BEEN ADDED

We wish to call your attention to the new service extended as per the bottom of the bid sheet. After receiving requests to apply the amount saved in the awarding of successful bids below the bids authorized we decided to avail this service to all of our clients. It is often exasperating to lose a lot by a few nickels when the amount saved on the successful bids would have been sufficient to increase the original bid to the point necessary to receive the lot. Check the bottom of your bid sheet.

Postal regulations require Zip Codes. To continue receiving these catalogs be sure you send us this Zip Code.

Pare in any condi- tion but very rare in this magnificent state of preservation. This coin is one of the best known". If adjectives such as "Magnificent state of preser- vation" are used to describe an Extremely Fine one, then what words should I use for this? This Gem I value at \$3,500.00." LESHER REFERENDUM DOLLARS

Listed on page 245 of Guidebook, these “Pioneer Silver Dollars” of Colorado have steadily advanced in value. Judging from the few that are offered over the years, they should continue advancing.	
250—1901 Mining scene, BOYD PARK, Denver, Colo., PROOFLIKE with bluish patina. VERY RARE. A leading authority states, “I doubt if more than two dozen exist today of the only 200 or so struck”. 251—Similar but even RARER VARIETY WITHOUT SERIAL NUMBER, CHOICE BLUE PROOF. VERY RARE. From our April, 1966 sale valued at \$1000; now worth at least 10% more or	1,100.00

1929 UNLISTED PEDLEY-RYAN "DOLLAR"

Acquired from us in early 1964 after we purchased two specimens from Al Overton of Pueblo, Colorado. One specimen is in the Kagin Reference Collection of Colorado Gold & Silver and this other specimen we traded then for the equivalent of about 1,000.00. Obverse has PEDLEY-RYAN & CO. DENVER, reverse 1929 ONE OUNCE SILVER 90%, uncirculated. Accompanying the piece is a photostat letter with KENYON V. PAINTER, Phoenix, Arizona (Mr. Painter is listed on page 213 of the Guidebook as one of the special panel of authorities who's opinion enters into the consensus on Private & Territorial Gold Coins) at top. The letter is addressed to Al Overton, "Dear Mr. Overton: Concerning the history of the Three Pedley-Ryan Pieces dated 1929, I will tell you all I know about them. My father, Mr. William Burkart, was the founder and president of Ajax Iron Works which was started about 1914. They had their plant at 1709 Blake St., Denver, Colorado, along with another plant on Osage St. Mr. Burkart outside of running a foundry did a great deal of precision tool and die work. He also was one of the large manufacturers of mining equipment. When the decision was made to sell the firm several years after my parents death, it was necessary to clean out the safe which had been in the Blake St. office for a great many years. These three pieces were found in this safe at this time. I feel these pieces were made up by my father as a favor to the Pedley-Ryan group prior to their issue in the thirties. My feeling is that these were the experimental pieces and that there were probably more than just these three pieces made. Sincerely yours, Norma B. Painter." Since one specimen is impounded in the Overton Colorado Collection and another in the Kagin Colorado Collection, this third is the only one available.

UNIQUE 1838 LIBERTY SEATED PATTERN STRUCK OVER 1857!

347—1838 LIBERTY SEATED, No Drapery From Elbow, FLYING EAGLE REVERSE, JUDD 80 RESTRIKE OVER 1857/3/8?, GLITTERING BLUE AND GOLDEN PROOF. THE UNDERCOIN IS RATHER CLEAR WITH A GLASS! A FANTASTIC PIECE PROVING THE CHICANERY AND RESTRIKING THAT WENT ON IN THE MINT DURING THE LATE 1850'S! CONSIDERED OF EQUAL IMPORTANCE IF NOT MORE IMPORTANT THAN THE FAMED 1804 DOLLAR! Acquired as UNIQUE and we have no reason to doubt this statement This fantastic coin has been verified by the editor of the Standard Catalogue Of United States Coins (presumably it will appear in the next edition). The PROOF of the chicanery is in the coin itself and does not have to rely on an outside story for its significance! At the time of its discovery, it was valued \$1000.... when it last changed hands five years ago in 1962, the present owner paid \$5000.00. He values it "as much as an 1804 dollar". We note the 1804 dollar sold for \$10,000.00 in 1950; another for \$28,000.00 in 1960; another for \$29,000.00 in 1961; and still another for \$36,000.00 in 1963 (Wolfson Collection New York May, 1963). There is no way of accurately estimating what this remarkable piece will bring. We do, however, believe it to be "A CHANCE OF A LIFETIME" to acquire a "coin with a story".

HALF CENTS (Continued)

1937—1856 STRUCK IN COPPER-NICKEL (Judd 177, AW-216). This specimen seems to fit the description of the Brobston coin sold by Stacks January, 1963 "Struck from regular dies (G-2) in COPPER-NICKEL. First reverse without double impression on CENT and ribbon. A lovely lightly toned **PROOF. EXTREMELY RARE.** This coin is an experimental piece. At this time the Government was considering the use of copper-nickel for small cents. The half cent die was the nearest in size to the newly proposed small cent. This coin was struck so that the Mint officials could see how copper-nickel would strike, and would look as a coin. Actually the fore-runner of the popular 1856 Flying Eagle cent. 650.00. Now, over four years later, we believe this historical coin should realize closer to 1,000.00

1852 HALF CENT WITH REVERSE 1840 — ONLY 3 KNOWN?

1938—1852 REDDISH BLUISH OLIVE PROOF in New Netherlands (N.Y.) envelope described "**1852 HALF CENT, REV. OF 1840 (1-C). ONLY TWO OTHERS IN COLLECTORS HANDS.**" Acquired in the early 1950's, over a decade ago. WE NOTE THE GREAT BROBSTON COLLECTION SOLD IN JANUARY 1963 DID NOT HAVE THIS VARIETY, EVEN THO IT HAD THE 1852 G-1 ORIGINAL (WHICH SOLD AT \$7,500.00) and the 1852 G-2 First Restrike, Small Berries and Reverse of 1856 (about 36 known) which sold at \$625.00. This **SECOND RESTRIKE, REVERSE OF 1840, BEING OF EQUAL RARITY TO THE ORIGINAL** (following the pricing pattern of the Catalog) **SHOULD CERTAINLY NOW EQUAL OR EXCEED THE ORIGINAL, WHICH SOLD OVER FOUR YEARS AGO AT** 7,500.00

EARLY PROOF SETS 1863-1914

1939—1863 PROOF SET NO MOTTO 1c, 3c, 5c, 10c, 25c, 50c, \$1 mounted in plastic, bluish golden color, the cent has a tiny nick. Individual records add up to a total of about 1,500.00

1940—1863 CENT STRUCK IN BRONZE (without "L") **RED AND PURPLE PROOF.** Cataloged \$500 two years ago but have since seen valuations of \$600 and 650.00

1941—1863 WITH MOTTO 25c, 50c, \$1 silver BRILLIANT BLUISH PROOF. "About Half A Dozen Or So Exist" (according to a leading authority), Judd states 4 to 12 struck, about the same rarity as the 1865 with motto specimens which he catalogs at \$6,500.00. Since this is of equal rarity, the owner (a leading collector and student of numismatics) feels it should be of equal value. In the final analysis, you, the collector, will determine its value by your bid.

1942—1873 PROOF SET 1c, 2c, both 3c, both 5c; Plain & Arrows 10c, 25c, 50c; regular \$1, Trade \$1 mounted in plastic, bluish to golden with many brilliant. **THE LARGEST SET OF ANY YEAR!** Popular with a consistent rise in value. Individual records add up to a total of about\$3,800.00

1948—1914 PROOF SET 1c, 5c, 10c, 25c, 50c, GEM SET, Brilliant to slightly golden. THE SMALLEST ISSUE PROOF SET FROM 1859 to 1914. Records for similar specimens add up to about\$2,000.00

MEXICO "COIN BAR"

1949—8½ Inch long silver bar made out of coin silver (900/1000 fine) with Large "X" on top and smaller one on bottom, weight 45½ ozs, small piece gone from corner for assaying its content. Brought up from the ocean off the Florida coast along with Mexican coins dated 1700 to 1730. Presumably, these silver bars were ready to be converted into coins when they arrived in Spain along with the gold treasure. Historical and interesting. We have seen two other similar bars, one smaller priced \$295 and one about 50 ozs. at 325.00
